Hi Sonja,

I talked to the defense attorney today on my case, and we agreed to make it a status date, so I definitely won't need you. Hope that helps!

Cary

Hi-

As promised, here is the response that I received from the Chicopee ADA about the case I have scheduled with him on Wed., Sept. 29th. Hopefully it will plea out, but, if not, I guess I'm on a first-come first-serve basis (unless I find out from ADA Bryson that I need to be in Springfield Superior Court on Wed. morning instead).

I have been in discussion with his attorney and the police about resolving the case. Unfortunately, I will not know if the case will be resolved until 9/29. I understand if you are in another court. If I receive any additional information prior to Wednesday I will make sure I let you know. I believe I have your cell phone, if necessary.

Thanks!  
Jim

Hi Cary-

Just thought that I'd give you a heads up that there may be a date conflict for the [REDACTED] trial scheduled for September 29 (this Wednesday). At this moment, I am also scheduled for a district court case in Chicopee as well as another district court case in Springfield that day. I have informed the Chicopee ADA of the dilemma and am waiting to hear back from him to where his case stands. Additionally, I may also have a Superior court case in Springfield that day (it is scheduled to start on Tuesday, but the ADA does not know when I'll be needed yet), which would actually be a good thing for you case as I may have to be in Springfield that day. I will let you know when/if I hear anything more about the Chicopee trial or the Superior Court trial.
